MY INTENTION WAS NOT TO PROVOKE A CLOSING STATEMENT'

Senator Risa Hontiveros responded to Senator Pia Cayetano's statement that the question she asked was not proper.

This pertains to Hontiveros' question, asking the prosecution “Why are these acts impeachable?” which triggered a response that Cayetano claimed seemed "like a closing statement."

"When we allow this to happen, na-shortcut na natin yung process," Cayetano argued.

"I wanted to appreciate the evidence before me in light of the articles of impeachment. If you wish to strike out the response of the prosecutor, hence, so be it, Mr. presiding officer, but for clarity again, my intention was not to provoke a closing statement," Hontiveros clarified.

For clarity, Mr. Presiding Officer, my question po had to do with how the evidence is material to the allegations in the Articles of impeachment kasi nga po hindi naman napapatunayan na the vice president actually sought an assassin. I wanted to appreciate the evidence before me.

IGNORANCE OF THE LAW EXCUSES NO ONE.

Heto na naman ang mga DDS na kulang sa reading comprehension, pilit na tinu-twist yung sinabi ni Atty. Ligutan na ang photocopy daw ay considered "original" na ngayon.

Fact-check muna tayo: totoo naman 'yun, pero strictly para lang sa Rules on Evidence sa loob ng korte!

May actual Supreme Court ruling na dinala na pwedeng tanggaping ebidensya ang photocopy kapag walang duda sa authenticity nito.

Ang lala ng logic nitong mga DDS. Inihambing ba naman agad ang court evidence sa pag-print ng totoong pera.

Literal na "comparing apples to oranges."

Sobrang magkaiba ang rules ng korte sa batas ng pambansang salapi natin!

Dito mo makikita kung gaano ka-dangerous ang misinformation ngayon. Dahil sa clout at maling propaganda, nai-instigate ang mga tao na gumawa ng seryosong krimen nang hindi nila namamalayan, iniisip kasi nila na legally justified sila.

Friendly reminder lang po sa mga nagmamagaling: Under Bangko Sentral ng Pilipinas Circular No. 829, ang kahit anong unauthorized copying, printing, o pagre-reproduce ng Philippine banknotes—colored man yan o black and white—ay strictly prohibited at pwedeng ikakulong ng 5 to 10 years!

Kaya please, huwag kayong pa-biktima sa mga memers at influencers na nagmamarunong sa batas. Dahil maari po kayong makulong.

Ipinagtaka ni Atty. Amando Virgil Ligutan kung bakit siya nag-trending sa social media matapos ang ikalawang araw ng impeachment trial ni Vice President Sara Duterte.

Si Ligutan ay bahagi ng prosekusyon na nagpresenta sa unang witness laban kay Duterte.

Nagkainitan sa pagdinig dahil sa sunod-sunod na objection ng Depensa sa gitna ng pagtatanong ng Prosekusyon sa witness. #VPonTrial

DUMANGAS HOSPITAL VISIT

Lapit na ang 61st Foundation Day sang Ramon D. Duremdes District Hospital sa Banwa sang Dumangas. Apang bangud sang conflict sa akon schedule, indi gid ako makaupod sa selebrasyon. Gani, ginpauna naton ang aton pagbisita agud makamusta ang aton mga healthcare workers, sa pagpanguna ni Chief of Hospital Dr. Dennise Roy M. Pasadilla, nga padayon nga nagahatag sang serbisyo indi lamang sa mga Dumangasanon kundi man sa mga pumuluyo sang mga kaiping nga banwa.

Pero antes sini, naghapit anay kita sa opisina ni Mayor BJ Biron agud magkortsesiya kag makapakig-istorya parte sa mga prayoridad sang banwa.

After concluding his meetings, Mayor BJ also joined me in visiting the district hospital. It was an opportunity to better understand the services being provided, identify areas where the Provincial Government and the LGU can work more closely together, and strengthen our shared commitment to improving healthcare for every Dumangasanon.

Bilang Chairperson sang Committee on Health and Sanitation, nalipay gid ako makita nga sa idalom sang liderato ni Governor Toto Defensor, padayon nga ginapalig-on sang Iloilo Provincial Government ang aton mga programa kag proyekto sa ikaayong lawas paagi sa pagpanami sang mga pasilidad kag serbisyo sang aton IPG-owned and operated hospitals.

Samtang yara kami didto, nagpangayo man kami sang feedback halin sa mga pasyente agud mabatian mismo ang ila mga eksperyensya kag mga suhestyon.

It's a work in progress. Madamo pa kita sang kinahanglan nga himuon. Pero nagapati ako nga kon padayon ang aton pagbinuligay, we can continue to deliver quality healthcare that is more accessible, more responsive, and closer to every Ilonggo family. Every improvement brings us closer to our shared vision of a healthier Dumangas and a healthier Province of Iloilo.

📷 THE BROWN LADY OF RAYNHAM HALL

Hindi ito eksena mula sa isang horror movie. Hindi rin ito AI generated. Ang larawang ito ay kinunan noong September 19, 1936 sa loob ng Raynham Hall sa Norfolk, England, at hanggang ngayon ay itinuturing na isa sa pinakasikat at pinakakontrobersyal na ghost photographs sa buong mundo.

😰 Nasa mansyon noon ang photographer na si Captain Hubert C. Provand kasama ang assistant niyang si Indre Shira upang gumawa ng feature para sa Country Life magazine. Habang kinukuhanan nila ng larawan ang engrandeng hagdanan, biglang napansin ni Shira ang isang maputing pigura na tila unti unting bumababa mula sa itaas. Agad niyang sinigawan si Provand na kunan ito ng litrato. Pagkatapos ng ilang segundo, naglaho ang kakaibang anyo na para bang walang nangyari.

👻 Nang ma develop ang film, malinaw na lumitaw ang mala taong pigura na nakasuot ng tila mahabang bestida. Dahil sa mga naunang kuwento tungkol sa isang babaeng nakabihis ng kulay kayumanggi na gumagala sa mansyon, nakilala ang larawan bilang The Brown Lady.

🏰 Ayon sa alamat, ang multo ay si Lady Dorothy Walpole, kapatid ng unang Prime Minister ng Great Britain na si Robert Walpole. Sinasabing ikinulong siya ng kanyang asawang si Charles Townshend matapos itong pagbintangang nagtaksil. Bagama't ayon sa opisyal na tala ay namatay siya dahil sa sakit noong 1726, marami ang naniniwalang hindi iyon ang tunay na nangyari. Sa loob ng maraming taon, iba't ibang bisita, kasambahay, sundalo, at maging ilang maharlika ang nagsabing nakita nila ang parehong babae sa hagdan at mga pasilyo ng Raynham Hall.

🔍 Hanggang ngayon ay wala pa ring tiyak na paliwanag. May nagsasabing double exposure lamang ito o epekto ng lumang kamera. Ngunit wala ring matibay na ebidensiyang nagpapatunay na minanipula ang orihinal na negative. Dahil dito, nananatili itong isa sa mga pinakadebateng paranormal photographs sa kasaysayan.

💀 Totoo man itong multo o pambihirang aksidente sa photography, halos siyamnapung taon na ang lumipas ngunit nananatili pa rin ang parehong tanong...

Ano ba talaga ang bumababa sa hagdan noong araw na iyon?

Coco Martin's primetime series "Sigabo" underwent a compliance seminar with the MTRCB after the agency received complaints over its alleged excessive portrayal of violence.

The seminar, held July 6 at the MTRCB office in Quezon City, was attended by CCM Film Productions, led by Martin, who also serves as the show's writer and director.

The move comes after more than 10 complaints flagged scenes involving fistfights, torture, and strong violent language since the show premiered on June 22.

MTRCB chair Lala Sotto said the agency aims to support the industry while ensuring content remains appropriate for younger viewers with parental guidance.

"Sigabo," co-produced by Dreamscape Entertainment and CCM Film Productions and starring Julia Montes, currently carries an SPG (Strong Parental Guidance) rating.

Meanwhile, CCM Film Productions said the seminar helped clarify both the board's standards and the creative direction of the show. The team also assured they will be more mindful in aligning with MTRCB guidelines moving forward.

‘IMPEACHMENT TRIAL ITO, HINDI ACTION MOVIE’

#SaraOnTrial: Rep. Chel Diokno, a member of the House prosecution panel, criticized Vice President Sara Duterte over her one-sentence statement during a brief press conference on Tuesday.

“Bakit laging bloody ang script? Impeachment trial ito, hindi action movie. Ang tanong ng taumbayan: sasagutin ba ang ebidensya o puro drama na lang?” Diokno wrote on X.

Duterte met with her defense team at the Senate just hours before the resumption of her impeachment trial but once again skipped the proceedings.

Prosecution presents a printed screen capture of the webpage containing President Ferdinand Marcos Jr.'s statement responding to Vice President Sara Duterte's grave threats against him, to which the defense objected, citing authenticity.

'IF I HAVE TO WATCH A TWO-HOUR CLIP... LET'S JUST GET IT OVER WITH'

Senator-judge Alan Peter Cayetano questioned the defense by inquiring whether they intended to move for the court to view the full two-hour footage of the Vice President Sara Duterte.

His query highlights a recurring tension in the trial, whether the court should review raw, comprehensive digital evidence or rely solely on excerpts presented by the prosecution to support their specific charges.

"If I have to watch (a 30-minute clip) then may i-emphasize na 30 seconds, 2 minutes, 1 minute. Pinapanood muna 'yung buo and then saka papanoorin 'yung maikli na ineemphasize para walang pre-judgment. Kasi 'pag nauna 'yung portions na maliliit and then saka mo lang sasabihin later on, 'Ah, ito pala context nito.' Medyo umiiba," he said during the second day of the impeachment trial.

The Senate impeachment court is now deliberating Article IV, which charges Duterte with issuing grave threats against President Bongbong Marcos, first lady Liza Araneta-Marcos, and former House speaker Martin Romualdez.

‘MAY NAGIGING BASEHAN NA SI BISE PRESIDENTE’

Palace Press Officer Usec. Claire Castro reacted to the brief statement of Vice President Sara Duterte on Tuesday.

“Ating nadinig at napanood ‘yung sinabi niya, ‘In this bloodbath and bludgeoning, I will be bloodied but unbowed.’ Meron siyang naging basehan at nakita rin natin ‘to sa social media, mula kay William Ernest Henley, ‘Invictus,’” she said in a press briefing on Wednesday.

“Ikinatuwa natin sa ngayon may nagiging basehan na si Bise Presidente ng kanyang mga sinasabi,” Castro added. (Screenshots/RTVM)

Ate Kler, the very fact that she knows it proves she reads widely. LOOK: Illustration of the NAIA incident involving a Saudia aircraft which damaged a parked PAL plane on Tuesday night.
(Courtesy: Contributed)

UPDATE: The rudder of a parked Philippine Airlines plane was hit by Saudia plane at the Ninoy Aquino International Airport at around 11:38pm, Tuesday.

No person was injured in the collision.

Initial investigation shows that the left wingtip of the Boeing 787 of Saudia, carrying 252 passengers, hit the rudder at the vertical stabilizer or tail fin of PAL's Airbus 320 which was parked at Bay 25.

PAL's rudder sustained extensive damage, while there was also damage on Saudia's wingtip.

PAL confirmed that one of its parked aircraft was struck by another aircraft during ground maneuvering. There were no passengers or crew on board the plane at the time of the incident.

"The aircraft has been withdrawn from service pending a technical assessment," PAL said in a statement.

The Saudia jet, which was reportedly headed to Jeddah, had to cancel its flight.

The cause of the aircraft collision is still under investigation.

Ask about this video

This video covers the third day of the **impeachment trial** of **Vice President Sara Duterte** (July 8, 2026). The session focuses on the **cross-examination** of **NBI senior agent John Mark Calilung** by the defense team, led by **Atty. Carlo Joaquin Narvasa**, while **Atty. Amado Ligutan** acts as counsel for the prosecutors.

Key highlights and themes:

- **Procedural Objections:** Throughout the testimony, **Atty. Ligutan** raises numerous objections regarding the defense's handling of documents. He argues that the defense is frequently confronting the witness with documents without properly marking or formally introducing them into evidence, describing the process as "plucking out of thin air" (0:26-1:02).
- **Contradictory Affidavits:** A significant portion of the questioning revolves around the existence of multiple **affidavits of investigation**. The defense probes into why there were different versions dated January 30, 2025, and February 10, 2025, and questions **Agent Calilung** on the administrative process involving the **Department of Justice (DOJ)** (1:06-2:52).
- **Document Authenticity and Content: Atty. Narvasa** questions the witness about correspondence between the former **NBI Director, retired Judge B. Santiago**, and the **Prosecutor General**. The defense attempts to establish whether specific recommendations—such as the requirement for affidavits from journalists present at a press conference—were followed in the final February 10, 2025

revolves around the existence of multiple **affidavits of investigation**. The defense probes into why there were different versions dated January 30, 2025, and February 10, 2025, and questions **Agent Calilung** on the administrative process involving the **Department of Justice (DOJ)** (1:06-2:52).

- **Document Authenticity and Content: Atty. Narvasa** questions the witness about correspondence between the former **NBI Director, retired Judge B. Santiago**, and the **Prosecutor General**. The defense attempts to establish whether specific recommendations—such as the requirement for affidavits from journalists present at a press conference—were followed in the final February 10, 2025 affidavit (3:51-5:18, 10:40-11:17).
- **Witness Testimony: Agent Calilung** is pressed to clarify if journalists' affidavits were attached to his investigation documents. He explains that while he did submit minutes of meetings and his own affidavit regarding interviews, the specific affidavits from journalists were not included, which becomes a point of contention during the cross-examination (11:46-13:28, 14:44-15:50).

'THAT'S UNFAIR'

Ganito itinuring ni Senate Minority Leader Alan Peter Cayetano ang mga bumabatikos na mayroong delay dahil sa dami ng objections ng Defense team ni Vice Pres. Sara Duterte noong ikalawang araw ng impeachment trial laban sa Bise.

WAG TAYONG MAGING PANATIKO SA POLITIKO
Nakalulungkot na sa ating panahon, may mga Pilipino na tila mas matindi pa ang kanilang pagtatanggol sa isang politiko kaysa sa kanilang sariling pananampalataya. Kapag ang Simbahan ay nagpapaalala ng moral na aral, agad itong binabatikos. Ngunit kapag ang kanilang iniidolo na politiko ang nasasangkot sa usaping moral, tila nawawala ang kanilang kakayahang maging obhetibo.
Bilang mga Kristiyano, malinaw ang utos: "Huwag kang papatay." Ang utos na ito ay hindi naglalaman ng footnote na nagsasabing maaari itong balewalain kapag sikat o makapangyarihan ang isang pinuno. Ang buhay ng tao ay may likas na dignidad, at ang due process ay bahagi ng katarungang kinikilala ng isang lipunang sumusunod sa batas.
Subalit may ilang mga panatiko na tila handang isantabi ang mga prinsipyong ito alang-alang sa pagtatanggol sa kanilang iniidolo. Kapag binanggit ng Simbahan ang kabanalan ng buhay o ang kahalagahan ng hustisya, ang sagot ay hindi pagninilay kundi pang-iinsulto.
Kung ilalagay natin ang ganitong pag-uugali sa panahon ni Moises, marahil ganito ang magiging eksena:
Moises: "Ang ikaanim na utos ay: Huwag kang papatay."
At marahil ay may mga sasagot:
"Naninira ka ni Tatay Digong!"
"Nabigyan ka ng maleta, Moises!"
"Adik ka ba, Moses?"
Nakakatawa itong isipin, ngunit ipinakikita nito ang isang seryosong problema. Kapag ang isang tao ay hindi na kayang tanggapin kahit ang mismong utos ng Diyos dahil lamang tila tumatama ito sa kanyang paboritong politiko, hindi na iyon simpleng suporta. Isa na iyong uri ng pagsamba sa personalidad.
Ang tunay na pananampalataya ay hindi umiikot sa isang tao sa politika. Ang isang Kristiyano ay dapat handang tanggapin ang katotohanan kahit ito ay hindi pabor sa kanyang kandidato. Hindi binabago ng pulitika ang Ebanghelyo; ang Ebanghelyo ang dapat humubog sa ating pananaw sa pulitika.
Mas nakababahala pa rito ang pag-atake sa Simbahan sa tuwing nagpapaalala ito ng mga prinsipyong moral. Ang Simbahan ay hindi umiiral upang maging tagapagsalita ng sinumang politiko. Ang tungkulin nito ay ipahayag ang katotohanan ng Ebanghelyo, ipagtanggol ang dignidad ng tao, at paalalahanan ang lahat—mayaman man o mahirap, makapangyarihan man o karaniwang mamamayan—na walang sinuman ang nakahihigit sa batas ng Diyos.
Ang pagiging mabuting mamamayan ay hindi nangangahulugang bulag na pagsunod sa isang pinuno. Ang tunay na katapatan sa bayan ay nangangailangan ng kakayahang pumuri kapag tama at pumuna kapag mali. Ang bulag na pagtatanggol sa lahat ng ginagawa ng isang politiko, kahit salungat na sa moralidad, ay hindi katapatan kundi fanaticism.
Sa huli, dapat nating itanong sa ating sarili: Kapag nagkasalungat ang salita ng Diyos at ang depensa sa isang politiko, sino ang ating pipiliin?
Kung ang sagot ay ang politiko, malinaw na may mali sa pagkakasunod-sunod ng ating mga prayoridad. Ang Kristiyano ay tinatawag na maging tapat kay Kristo bago maging tapat sa sinumang pinuno ng pamahalaan.
Sapagkat ang mga politiko ay lilipas. Ang kapangyarihan ay mawawala. Ngunit ang katotohanan ng Diyos ay nananatili magpakailanman.

Court to exercise its supervisory and disciplinary authority over all members of the Bar, by initiating an investigation into the widely publicized conduct of Atty. Topacio, particularly his public statements made in defense of Representative Suntay on *Yes... Yes... Yo! Topacio*, as well as his purported "scandalous admission of lust" towards Representative Elago.

In the Resolution, dated April 8, 2026, the Court *En Banc* ordered the consolidation of A.M. No. 26-03-02-SC and A.M. No. 26-04-06-SC.

Time and again, the Court has reminded lawyers not to engage in unlawful, dishonest, immoral, or deceitful conduct.[9] A lawyer shall not engage in conduct that adversely reflects on one's fitness to practice law, nor behave in a scandalous manner, whether in public or private life, to the discredit of the legal profession.[10] After all, the practice of law is a privilege given only to a few, and it is granted only to those of good moral character.[11]

Subsequently, on March 5, 2026, Atty. Ferdinand Topacio (**Atty. Topacio**) defended Representative Suntay through his program *Yes... Yes...Yo! Topacio*, streamed on DWIZ 882.4, where he likewise criticized Anne Curtis's sister, Jasmine Curtis-Smith, for condemning Representative Suntay's statements, as follows:

> *Atty. Topacio: Yan 'yung kapatid bumanat pa, o. Si ano, si Jasmine Curtis.*

In the same radio program, Atty. Topacio publicly admitted that he once desired Gabriela Party-list Representative Sarah Elago (**Representative Elago**) upon seeing her:

Topacio, both members of the Philippine Bar, and to issue a show cause order directing them to explain why disciplinary proceedings should not be initiated against them following their recent and highly publicized statements concerning women.[7]

As such, lawyers are duty-bound to adhere to the rigid standards of mental fitness, maintain the highest degree of morality, and faithfully comply with the rules of the legal profession to continue enjoying the privilege to practice law.[14] In both words and actions, lawyers must act with dignity and honor, as the standard of conduct for those in the legal profession is higher than that of ordinary persons.[15]

Considering Representative Suntay and Atty. Topacio's highly publicized statements against women, the Court *motu proprio* treats these matters as a formal administrative complaint for disbarment against Representative Suntay and Atty. Topacio. Therefore, Representative Suntay and Atty. Topacio are directed to show cause why they should not be disbarred from the practice of law, within 10 days from receipt of this Resolution.

All current administrative cases against Representative Suntay and Atty. Topacio pending before the Court and the Integrated Bar of the Philippines (**IBP**) should be resolved at the soonest possible time. Hence, the Office of the Bar Confidant is directed to submit an updated list of the pending administrative cases against Representative Suntay and Atty. Topacio. Similarly, the IBP is likewise directed to submit a status report of the administrative cases against Representative Suntay and Atty. Topacio pending before it.

RESOLUTION

***PER CURIAM*:**

On March 3, 2026, during the House of Representatives Committee on Justice hearing on the impeachment complaints against Vice President Sara Z. Duterte (**VP Duterte**), Representative Jesus "Bong" C. Suntay (**Representative Suntay**) publicly uttered allegedly misogynistic remarks against actress and social media personality Anne O. Curtis-Smith (**Anne Curtis**). The verbatim reproduction of Representative Suntay's statements is as follows:

> *Alam mo, minsan, nasa Shangri-la ako, nakita ko si Anne Curtis, ang ganda-ganda pala niya. You know, may desire sa loob ko na, nag-init talaga. Na-imagine ko na lang kung ano ang pwedeng mangyari. Pero siyempre, hanggang imagination na lang 'yon. Hindi naman siguro ako pwedeng kasuhan dahil kung anu-ano 'yong na-imagine ko.*[1]

Representative Suntay made the comment while defending VP Duterte's past statement where she "imagined" herself "cutting" the head of President Bongbong Marcos, Jr., suggesting that VP Duterte was merely making a joke. The remarks were subsequently moved to be stricken from the record and were removed upon a vote of 13-2-2.[2] Representative Suntay, however, objected to its removal and publicly asserted that striking his remarks from the record sets "a dangerous precedent" claiming that it amounted to "censoring manifestations which [are] neither illegal [nor] immoral."[3]

In a media interview and, separately, in an online interview with *OneNews*, Representative Suntay reiterated and defended his remarks about Anne Curtis, asserting that they were intended merely as an analogy and should be taken as a compliment by the actress.[4]

Senator-judge Robin Padilla asked whether witness NBI senior agent John Mark Calilung was able to secure the raw file of the November 23, 2024, video where the alleged grave threats of Vice President Sara Duterte were uttered against the president, first lady, and ex-speaker.

Calilung said he was not able to obtain the raw file, but he recorded the video in question using an open broadcaster software, which is publicly available on the internet, and executed it on his affidavit.

Padilla also asked for credentials of Calilung to prove his competency. #VPOnTrial

Isang kilalang teorya ang Chronovisor, isang diumano'y "time machine" na sinasabing ginawa noong 1950s–1960s sa Vatican ni Father Pellegrino Ernetti.

Ayon sa kwento, kaya raw nitong ipakita ang mga imahe at tunog mula sa nakaraan, parang pinapanood ang kasaysayan mismo.

May mga nagsasabing nakita rito ang mga sinaunang pangyayari tulad ng Roman Empire at buhay ni Jesus.

Para sa mga naniniwala, isa itong lihim na teknolohiya na kayang balikan ang nakaraan.

A World Cup celebration was overshadowed by an ugly moment. 💔

During IShowSpeed's livestream at Argentina's World Cup match, footage appeared to show an Argentina supporter making racist monkey-like gestures and remarks toward the American streamer.

The incident quickly went viral, prompting widespread condemnation online.

FIFA has since confirmed it is investigating the incident, reiterating that racism and discrimination have no place in football or society.

What should have been a celebration of the beautiful game instead became another reminder that there is still work to do to eliminate racism from sports. 🌍⚽

WAG TAYONG MAGING PANATIKO SA POLITIKO

Nakalulungkot na sa ating panahon, may mga Pilipino na tila mas matindi pa ang kanilang pagtatanggol sa isang politiko kaysa sa kanilang sariling pananampalataya. Kapag ang Simbahan ay nagpapaalala ng moral na aral, agad itong binabatikos. Ngunit kapag ang kanilang iniidolo na politiko ang nasasangkot sa usaping moral, tila nawawala ang kanilang kakayahang maging obhetibo.

Bilang mga Kristiyano, malinaw ang utos: "Huwag kang papatay." Ang utos na ito ay hindi naglalaman ng footnote na nagsasabing maaari itong balewalain kapag sikat o makapangyarihan ang isang pinuno. Ang buhay ng tao ay may likas na dignidad, at ang due process ay bahagi ng katarungang kinikilala ng isang lipunang sumusunod sa batas.

Subalit may ilang mga panatiko na tila handang isantabi ang mga prinsipyong ito alang-alang sa pagtatanggol sa kanilang iniidolo. Kapag binanggit ng Simbahan ang kabanalan ng buhay o ang kahalagahan ng hustisya, ang sagot ay hindi pagninilay kundi pang-iinsulto.

Kung ilalagay natin ang ganitong pag-uugali sa panahon ni Moises, marahil ganito ang magiging eksena:

Moises: "Ang ikaanim na utos ay: Huwag kang papatay."

At marahil ay may mga sasagot:

"Naninira ka ni Tatay Digong!"

"Nabigyan ka ng maleta, Moses!"

"Adik ka ba, Moses?"

Nakakatawa itong isipin, ngunit ipinakikita nito ang isang seryosong problema. Kapag ang isang tao ay hindi na kayang tanggapin kahit ang mismong utos ng Diyos dahil lamang tila tumatama ito sa kanyang paboritong politiko, hindi na iyon simpleng suporta. Isa na iyong uri ng pagsamba sa personalidad.

Nakakatawa itong isipin, ngunit ipinakikita nito ang isang seryosong problema. Kapag ang isang tao ay hindi na kayang tanggapin kahit ang mismong utos ng Diyos dahil lamang tila tumatama ito sa kanyang paboritong politiko, hindi na iyon simpleng suporta. Isa na iyong uri ng pagsamba sa personalidad.

Ang tunay na pananampalataya ay hindi umiikot sa isang tao sa politika. Ang isang Kristiyano ay dapat handang tanggapin ang katotohanan kahit ito ay hindi pabor sa kanyang kandidato. Hindi binabago ng pulitika ang Ebanghelyo; ang Ebanghelyo ang dapat humubog sa ating pananaw sa pulitika.

Mas nakababahala pa rito ang pag-atake sa Simbahan sa tuwing nagpapaalala ito ng mga prinsipyong moral. Ang Simbahan ay hindi umiiral upang maging tagapagsalita ng sinumang politiko. Ang tungkulin nito ay ipahayag ang katotohanan ng Ebanghelyo, ipagtanggol ang dignidad ng tao, at paalalahanan ang lahat—mayaman man o mahirap, makapangyarihan man o karaniwang mamamayan—na walang sinuman ang nakahihigit sa batas ng Diyos.

Ang pagiging mabuting mamamayan ay hindi nangangahulugang bulag na pagsunod sa isang pinuno. Ang tunay na katapatan sa bayan ay nangangailangan ng kakayahang pumuri kapag tama at pumuna kapag mali. Ang bulag na pagtatanggol sa lahat ng ginagawa ng isang politiko, kahit salungat na sa moralidad, ay hindi katapatan kundi fanaticism.

Sa huli, dapat nating itanong sa ating sarili: Kapag nagkasalungat ang salita ng Diyos at ang depensa sa isang politiko, sino ang ating pipiliin?

Kung ang sagot ay ang politiko, malinaw na may mali sa pagkakasunod-sunod ng ating mga prayoridad. Ang Kristiyano ay tinatawag na maging tapat kay Kristo bago maging tapat sa sinumang pinuno ng pamahalaan.

Sapagkat ang mga politiko ay lilipas. Ang kapangyarihan ay mawawala. Ngunit ang katotohanan ng Diyos ay nananatili magpakailanman.

'SA MGA NAGSASABI NA DELAY SA DAMI NG OBJECTIONS, THAT'S UNFAIR'

Senator Alan Cayetano said it's "unfair" for the defense team of Vice President Sara Duterte to have their objections during the second day of proceedings viewed as delaying tactics.

He also urged fellow senator-judges not to ask questions that may "prejudice the whole trial," following Senator Risa Hontiveros' question to the House prosecution on whether Duterte's grave threats constitute an impeachable offense.

Invictus

Out of the night that covers me,
Black as the pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.
In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody, but unbowed.
Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds and shall find me unafraid.
It matters not how strait the gate,
How charged with punishments the scroll,
I am the master of my fate,

"I am the master of my fate, I am the captain of my soul."

Read in full the poem "Invictus," one of the most famous works by English writer William Ernest Henley.

According to historical accounts, Henley wrote the poem while recovering from a treatment of his severe tuberculosis of the bone and after being saved from a second amputation.

The poem has also been cited twice by the Duterte family—first by Veronica at The Hague in April 2026 and, more recently, by Vice President Sara Duterte during her brief appearance at the Senate amid her impeachment trial.

ROBIN TINANONG SINO MISMO NAG-RECORD NG ONLINE PRESSCON NI INDAY

Senator-judge Robin Padilla asked National Bureau of Investigation senior agent John Mark Calilung who recorded the controversial online press conference of Vice President Sara Duterte in November 2024.

During the third day of Duterte's impeachment trial on Wednesday, Padilla stressed that it is important to know who recorded the said virtual briefing. However, his question brought confusion to the prosecution's witness.

"May I clarify, Your Honor, if sinong tao 'yung tinutukoy n'yo?" Calilung clarified.

"'Yung nag-record po," Padilla answered.

"Ako po 'yung nag-record through OBS," the NBI agent noted.

"Hindi po, 'yung mismong nag-record po kay Inday, sa Vice President. Nakausap n'yo po ba? 'Yung RAW file po. Kasi napakahalaga po nu'n. Kasi du'n po natin malalaman kung original ba o hindi," the lawmaker asserted.

Duterte's online press conference containing her "kill threat" to the President, first lady, and former House speaker was broadcasted via Zoom last November 23, 2024.

VISITING HOURS

Three times a week, when work allows, Lani Mercado goes to Payatas and tries not to bring the whole storm inside.

Bong Revilla, detained without bail over alleged misuse of public funds, is waiting, exercising, getting through the day.

The brutal tenderness of visiting hours. You do not unload your grief on the man behind bars, and carry the pain quietly that he does not have to carry yours, too.

Instead you smile. Pray. Come back later. You say "Kapit lang sa Panginoon" because some doors do not open just because you love the person behind them.

‘Obsession’ theatrical vs digital release quality comparison

Theatrical screenings of Obsession emphasize atmosphere: darker lighting, immersive sound design, and the tension of watching with an audience.

This enhances the horror tone, making every silence and sudden scare more impactful.

Digital releases, while more accessible, often compress audio and visuals.

Viewers may notice reduced sharpness in shadow detail and less dynamic range in sound, though streaming platforms still deliver convenience and replayability.

Considering Representative Suntay and Atty. Topacio's highly publicized statements against women, the Court motu proprio treats these matters as a formal administrative complaint for disbarment against Representative Suntay and Atty. Topacio. Therefore, Representative Suntay and Atty. Topacio are directed to show cause why they should not be disbarred from the practice of law, within 10 days from receipt of this Resolution.
All current administrative cases against Representative Suntay and Atty. Topacio pending before the Court and the Integrated Bar of the Philippines (IBP) should be resolved at the soonest possible time. Hence, the Office of the Bar Confidant is directed to submit an updated list of the pending administrative cases against Representative Suntay and Atty. Topacio. Similarly, the IBP is likewise directed to submit a status report of the administrative cases against Representative Suntay and Atty. Topacio pending before it.
ACCORDINGLY, the Court motu proprio TREATS these consolidated matters as a FORMAL ADMINISTRATIVE COMPLAINT for DISBARMENT against Representative Jesus "Bong" C. Suntay and Atty.
